Ngabo lobo busuku wezwakala

Wabeletha umntwana oyimbongolo.

Babaleka bonke abantu. “Ngizokwenzenjani ngalomntwana oyimbongolo?” Kucabanga lo wesifazane.

Ekugcineni wazibophezela ukumthanda

Umntwana oyimbongolo wakhula

Umama wakhe waphatheka

Umntwana umbongolo wabaleka

Umbongolo wazizwa enomzwangedwa,elambile futhi ekhathele. Wagcina ezumekile.

Waphaphama sekumi indoda

Indoda yamthatha umbongolo

Esekhulile umbongolo, indoda

Ngolunye usuku banyukela

Umbongolo waphaphama

Umbongolo wayekhathazekile. Waphindela

Umbongolo wayehamba ezibuza, Ngabe nguye umama wami lo.

Wamthola umama wakhe,bahlala kahle ndawonye. Lapho umama wayegibela kumntwana wakhe bazulazule endaweni yangakubo.
